# *From His Hands to Ours - Responding to God's Grace*

## **A CALL TO RENEW YOUR FAITHFUL GIVING AND SERVICE AT ST. BASIL'S**

An Orthodox Christian Steward is an **active participant** in the life of the Church who each year carefully reviews personal blessings and circumstances to make a **commitment of time, talent, and treasure** in support of the Parish, which in turn serves the faithful and the greater community.

This **mutually reciprocating loop of love** allows the Church to serve, give back, and grow.

With a shared vision of a vibrant, impactful, and inspired church, we are launching the ***From His Hands to Ours - Responding to God's Grace Campaign*** which we hope will inspire you to prayerfully consider your capacity to support Saint Basil's (1) financially and (2) in service.

***In our calling, we hope you will join us as we:***

***Deepen Our Faith:*** God calls us to be faithful stewards, in gratitude and with the hope of spiritual growth.

***Strengthen Our Church Community:*** Stewardship is a reflection of God's love and naturally cultivates a vibrant community with enhanced ministry and outreach.

***Leave a Legacy for the Next Generation:*** There is no better investment than that of our children's spiritual future and ensuring they inherit a thriving, faith-filled Church.

***Honor God with Our Gifts:*** We seek to be generous and quick to give to our Church, honoring God not only as we recognize our many blessings but also as we offer them in His name to St. Basil's.

*Freely Give*

THE CONCEPT OF STEWARDSHIP IS BASED ON THE GREEK WORD PHILOTIMO (GRATEFUL INDEBTEDNESS), AND IS UNDERSTOOD THROUGH THE WORDS OF JESUS CHRIST, "FREELY YOU HAVE RECEIVED, FREELY GIVE" (MATTHEW 10:8).

**RESPONDING TO GOD'S GRACE WITH FAITHFUL GIVING**

***“Responsible parish development is experienced when Parish Operations (the parish budget) are satisfied solely by stewardship offerings. Any additional income streams should fuel growth and development.” -Reverend Father Luke Palumbis***
